PC:

Rejection the application for registration of a society passed under section 9 by the Deputy Registrar the present petitioner had filed a writ petition No.4724/07. The said writ petition came to be rejected on the ground that an efficacious alternate remedy by way of appeal is available to the petitioner under section 152 of the Cooperative Societies Act. The order passed by this Court is dated 24.7.07. The present petitioner filed an appeal before the Divisional Joint Registrar on 9.8.07. As there was delay in filing the appeal an application for condonation of delay was also filed. The Divisional Joint Registrar heard the matter for admission of appeal so also for condonation of delay and closed the matter for orders on admission and condonation of delay. Without even waiting for the order this petition has been filed on 27.8.07 and circulated for admission on the ground of extreme urgency. The order which closes the appeal for orders on admission and condonation of delay is challenged in the present writ petition. There is no merit in the petition. Same deserves to be dismissed. However I make it clear that after Appellate Authority passes an order in regard to admission and condonation of delay the petitioner shall be at liberty to move for expedited hearing before the Appellate Authority. Writ petition is thus summarily dismissed.
